In New Belgrade, in the Park Apartments building, we sell a beautiful, luxuriously furnished apartment of 86 sqm. The apartment is extremely bright, southeast- oriented. Extremely functional apartment, consisting of two bedrooms, a living room with kitchen area, bathroom and terrace. It is equipped with a modern kitchen, led lighting and Bosch appliances. This apartment has a special charm with a large terrace, all over the apartment, with a beautiful view of the atrium of the building. In the middle of the building is a fenced and protected atrium space in the form of a green area, which is accessible only to the occupants. There is an underground garage in the building and it is possible to buy two parking spaces for additional payment.
